**Superintendent of Schools, Edward R. McCowen**

Mr. McCowen received his B.S. degree in education from Ohio University, the Master's degree from Northwestern University and has attended both Otterbein College and Harvard University. His broad vision has helped make it possible for our schools to offer new courses, as the needs arises, with the very latest in proper text book materials.

It has been pointed out by many educational leaders in the state that the rural schools of the Scioto County are indeed outstanding. The Rural School Districts, with the excellent cooperation of the Parents and Patrons of the school, have at present one of the finest building programs in the entire state.

Mr. McCowen said in a statement to us, "We will continue in the future to serve our boys and girls in the best manner and continue to improve the Educational Set-up in all rural schools. The best is none too good for our boys and girls".

**Supervising Principal, James N. Warren**

Mr. Warren received his education from Rio Grande College, Ohio University and Ohio State University.

He formerly taught at New Boston and Wheelersburg and is now completing his third successful year as Supervising Principal of the Rarden Schools. Mr. Warren's educational and activity program has been to closely associate the home and the school. His objective has been to give each student a chance in our educational program and the activities that are necessary to develop a modern progressive youth.

# Honor

Urma Fouch

Urma had several reasons for entering the essay contest entitled "Why We Must Preserve the Voluntary System of Medical Care in the United States." After collecting available reading material, Urma became interested and decided that she must preserve the present "Voluntary System of Medical Care". The prize of \$100.00 was a stimulant to all of the students, especially Urma. Each boy and girl in Scioto County was a winner because they convinced themselves that something must be done to combat Socialism, which is slowly creeping into our democratic form of government. Urma wishes to express her thanks to the Hemstead Academy of Medicine, and all of the Doctors that made this prize possible.

James N. Warren, Jr.

We were very proud that Jimmy placed first in the Scioto County eighth grade test. The test included subject matter in English, Arithmetic, History and Science.

Jimmy received a small loving cup from the Rarden School which was engraved with, "First Place Eighth Grade Test, Scioto County Schools". From the Superintendent of Scioto County Schools, Edward R. McCowne, he received a Certificate of County Recognition. From the State Department of Education Jimmy received a Special Certificate indicating that he had made one of the highest scores in the State Eighth Grade Test.

We wish Jimmy lots of success, and hope that he is first in many more things to come.

# Annual King & Queen

Robert Taylor and Nancy Blackburn won the Annual Sales Contest by selling the greatest number of Annuals in the high school. Together they did the splendid job of selling forty one annuals. For this fine job we are honoring them as the King and Queen of the High School Annual Subscription Sales.

## ☆ Senior Class History ☆

The Senior Class of 1951 began their high school career in September of 1947. The Freshman class consisted of the following students: Jack Thompson, Arlen Windle, Carlos O'Bryant, Erma Moore, Juanita Miller, Ruth Tracy, Rosalee Pertuset, Viola Kirk and Louise Ward, with Miss Wikoff acting as our class adviser. The following officers were elected to represent the class of nine. Jack Thompson, President; Carlos O'Bryant, Vice President; Erma Moore, Treasurer and Arlen Windle, Secretary. Mr. Fouch was in charge of the Initiation Committee, which took place around Halloween.

Our Sophomore year began with nine students. The same officers were elected as in the ninth grade. Mr. Warren, our new principal, was in charge of the school carnival. Each class had a booth to decorate, and to operate. At the close of the year we had an outing at Roosevelt Lake.

We were really looking forward to our Junior year since it held promises of excitement. Our class now had decreased to four students. Some were married, others had secured work and one moved from the Rarden School District. Our Junior Class Play was entitled, "Look Out Lizzie". The concluding activity of our junior year was a trip to Washington, D.C.

Erma Moore, Jack Thompson, Carlos O'Bryant and Arlen Windle made up the Senior Class in 1950-51. During our senior year a visit was made to the County Court House, at Portsmouth, Ohio. Here we visited the county jail, Common Pleas Court, and the Scioto County Law Library. The Class Play was called "Gone With The Girls", under the direction of Mrs. Clara Snyder. A trip to Washington, D.C. is now being planned for this year. The Baccalaureate Exercise is April 29, and the Commencement Exercises are May 3, 1951. Our Commencement Speaker is Leo Blackburn, present State Senator, President of Portsmouth Interstate Business College and a former graduate of Rarden High School in the class of 1929.

## ☆ Junior Class History ☆

The Junior Class of 1951 entered school in 1940. Miss Ada Rector was our teacher. At the close of our first year we went to Serpent Mound on our annual picnic.

Our second and third years were much the same as our first. Mr. Edward McCann was our teacher. Mrs. Eva McAllister was our fourth grade teacher, Mrs. Edna Ralston our fifth and Mr. I. C. O'Bryant our sixth.

We went on to Junior High School with approximately thirty or thirty five class mates. On Halloween of our seventh year we had a masquerade party. Mrs. Clara Snyder was our seventh and eighth home room advisor.

We started our freshman year with about eighteen or twenty students. Vaughn Newman was our President, Janet Teeters, Vice President; Evelyn Resor, Secretary; Bonnie Foster, Treasurer. Miss Gladys Wikoff was our adviser.

At the beginning of our sophomore year there were about fifteen of us. Eugene Ross was President, Robert Taylor, Vice President; Mildred Poe, Secretary and Milton George was our Treasurer. Mr. John B. Collins was our adviser.

We began this, our junior year, with twelve. There are now ten of us. Our class officers are: Eugene Ross, President; Robert Taylor, Vice President; Bonnie Foster, Secretary; and Janet Teeters, Treasurer. The Junior and Senior Class is planning a trip to Washington. Miss Gladys Wikoff is our Home Room adviser.

## \* RAYMOND ADAMS \*

We, the students of the Rarden High School, wish to make this dedication to a teacher that we all loved very much. He will be remembered by each of his students, and fellow teachers for the splendid work he did as a Band Director.

Mr. Adams was always willing to assist a student, or a fellow teacher, in any worthwhile project. He was always trying to improve his band, and never hesitated to assist in any educational program.

If all teachers were as progressive, and willing to help their students, as Mr. Adams was, there would be a much better student and teacher relationship. His ability, and his pleasing personality will always be remembered by us.

## \* I. C. O'BRYANT \*

I. C. O'Bryant taught school for forty-six years in Pike County, and Scioto County. He had the distinction of teaching his wife, Mae O'Bryant, and all fourteen of his children.

Mr. O'Bryant will be missed not only by the younger students, but by the parents as well. He taught practically every person in the locality of Rarden.

We all miss Mr. O'Bryant because he was willing to assist any teacher or student at any time.
