

Oct 1854

Mon. Oct 7 1894
A nice clear day
A light frost
A heavy dew
I went to the store
and purchased
Smith cut corn
I got some
seed wheat
dampat. Ham
Butter. and a
load of coal
dust at
Howard Tice

Tues. Oct. 2. 1894

A nice day,
Cool this morning
I got a lot of
fertilizer ready
to drill and
23. bar. of wheat
from Dan Ruth.
The Taylor's,
John & George
also harvested
Smith cut
corn.

Wed. Oct. 3.

A damp morning
Rained a little
looked over land
I decided to
go for the fruit
I finally loaded
up and started
Smith cut
to go with the
bus after
7:30 and
the 2nd pic
for lunch.

Thurs. Oct 4.
A nice day
Very windy
Thea turned rain
& drizzled all
day. Jerry flew
part of the day.
Opp. happened.
South east
can and dug
pedalols.

Fri. Oct 5.
A nice day
Lapped off trash
evening.
& drizzled in heat
all day.
Out of Jerry's feathers
to fly and have
sharp cut can
and came around

Sat, Oct 6.
A cool nice day
Bill & I drilled
all of his wheel
against some
I then drilled
at mine till
about sundown
Bill & I then pulled
the bars.
Smith cut over
Bill & I hitched
Bill to the
briggs and
the day
up local

Sun, Oct 7
A fine day
Smith & I blew
Bill up to the
switch at
dynamometer
Hammer.
I drove down to
Shepherd and
went out after
haggerty and
papers.
Ernie & I drove
down to the pits
I heard about
Ernie's tail
and was
The musick and
singing was
fine.

Mon. Dec. 8.

A nice day.

A big frost

& plenty of

sleet.

Smith dug potatoes

all day.

I helped him

until at his

work, but

could not do

any more.

Left via camp

again.

Tue. Dec. 9.

A nice day

A big frost

& halcyon rain

never till noon.

Smith & I worked

all day

Smith & I then

the bears out

The boys have

gone after the

game mill.

Left via camp

again.

Sped. Oct. 10

A cool morning
A big frost

The boys took
the mill over

and began to
make molasses

Rich Clute
came after the

mill & I went
down

We got there
at noon

We drilled
after dinner

Thurs Oct 11

A big frost
but by mid day

high & drilled
all day

We drank very
rough brandy

to keep on
the job but not

had a time
with the fuel

We made crout
this evening

The boys cut
the crout

Tue: Oct 12. [Day
A nice day ^{night} ~~rain~~
Arch & I drilled
all day
We get a long
slap.

We have a little
over eight acres
drilled
We spend the
evening seeing
Arch want to
the boys to
a dance.

Sat Oct 13,
A nice day
Rained a little
this evening
Arch & I drilled
all day
We did not do
the drill and then
came up home
After we got
home they were
just skiving off
mud and
quitting
We did not get
to bed till
about eleven
o'clock.

Sun. Oct 14

A cool wind
blew all day
I pitched Bell,
to the east and
about 100 ft
high.

Had a splendid
time.

Met a cousin of
mine, that seems
to be a good
fellow
and a good
musician.

Mr. H. Sampson
was there and
we got out
and had fun till
late. I pitched
up and about 100 ft
to the top.

Mon Oct 15.

A big bear
together with a
hatchling.

The weather was
cool & I drilled
all day.

Was out on
the morning
to head check.

Tue. Oct 15
A fine day
Some magazines
to be displayed.
Broke the shell
and had to go to
the bank and see
it fixed.
An interdict coming
from this morning
but could not
find my
best.

Wed. Oct 17
A fine day
Some magazines
I showed my
hand got ready
and drove home
Bought some
and got the
shell ready
by morning
I was able
to go to
the depot and
with a few more
with the purchase
Rich brought the
shell home
We got the other
shell set up
and ready
for the morning

Thurs. Oct. 18.

A fine day
Garbit & I walked
stream at the
farmhouse.

We passed by St.

Smith in putting
in wheat.

Rat & Bill Baker
came over.

Rat said
I am on the coal
he bought.

A fine coal he
is.

Fri. Oct. 19.

A nice day
The Gem & I
baked a loaf.
Smith finished
sawing a log.

Sat Oct 20.

A nice day
John & Belle
to camp.
Bill & Mattie
went to town
Smith & I
potatoes.
Belle Baker is
here.
Smith has gone
down to the
peachet.

Sun Oct 21.

A fine day
Bill at home
Belle Baker still
here. She went
after chickens
After dinner
Smith & Belle
& I went down
to Shepherds
Belle & I came
back.
Mattie & Bill
went down a
church
He did not know
it so we got
disappointed.
I wrote a letter

Mon. Oct. 22

A nice day

Rained a few

hours, in the

evening

Jim & I

bailed

a beam

We got

coming home

Tues Oct. 23.

A nice day

Damp this morning

Jim & I finished

up bailing a beam

at the Ice.

We bailed 21 1/2

1392 lbs.

Bill Baker went

home today.

Wed. Oct. 24

A fine day
A little cloudy
this morning.
Genie & I moved the
fence back down
the hill a little
lot fence, cleared
out beans and
hailed early.

Smith got ready
to land market
in the morning.
Genie & Bill got
up with some boys
hunting. I have
written a letter to
Rosa in the kitchen
today.

Thurs. Oct. 25

A nice day
Walter & Smith
went to town this
morning.
Tender market.
Genie & I fixed
fence and made
rough fence.
Walter & Smith
arrived a little
after dark.
Brought back
the most of
their load of
milk today.

Fri Oct 26
A damp rainy
forenoon and
cleared off about
noon with clouds
up in the air
and sawed a little
with a brace
got up to the top
of well some
potatoes
Jimmy & I
found them
I had the same
on hand and
about when
the day after
the next
came this evening
that I had
had about the same

Sat Oct 27
A nice day
Walter & I went
down to the Mill
and saw the
moleculer girl
(Jimmy H)
He came back
and I got ready
and went over
to the place
I let Dolores
know about the
death.
She is to act as
a pall bearer
I stayed all
night at home.
A good time
had.

Sun. Oct. 28.

A very damp
morning - but a
nice day
All at Lubi (an
island)
Had a good fire
and much music
Took a deer in
the afternoon
Phillip Sampson
& K. Vohu came
down in the
evening.
I came away
in the evening
Arrived at home
at 7 P.M.

Mon. Oct. 29.

A very heavy
fog but a nice
day
Delighted with
the fishes
Smith river and
Gangha fish
head of the
dinner for tonight
R. H. Chapman
had brought
The all day
parties in
the afternoon

Tue Oct. 30
A damp rainy
day.
Rained all day
We have funds
account, all day
Smith went
to the bank to
draw

Wed Oct 31
A nice day
Hired bluebird
Hunted a little
The day of the
James & Effie
Bennett came
along.
Effie stayed
with us making
my dinner
for me.
Smith's mother
called back in
to see me.
L. Har.

S. E. H. Gemini
1 day What day
1. 11 1/2 day
1 1/2 drilled 1 day
1 1/2 1/2 1/2 day
1 1/2 1/2
