FACES

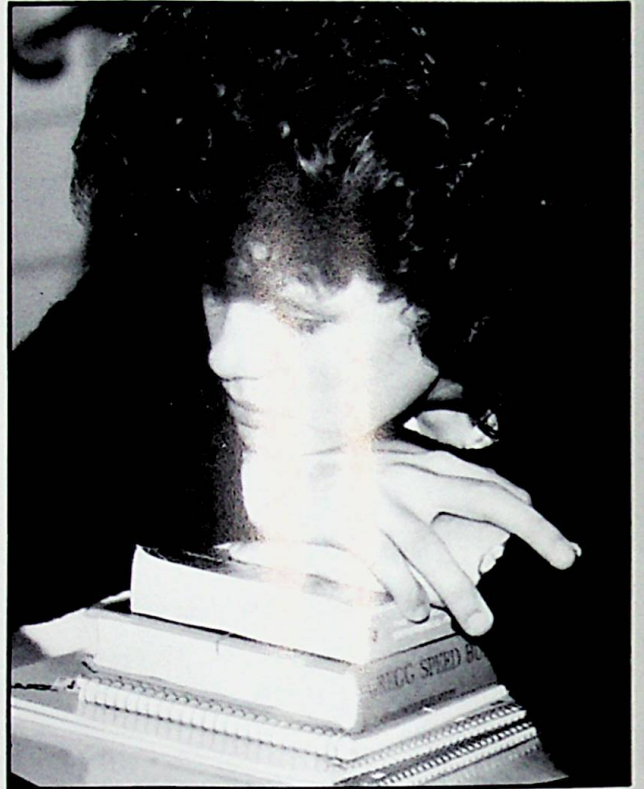

WHEELERSBURG High School is what it is because of the people. Faces of students, teachers and staff show the Pirate Pride of the Burg. The '86 *Wheel* portrays the spirit and pride of our school.

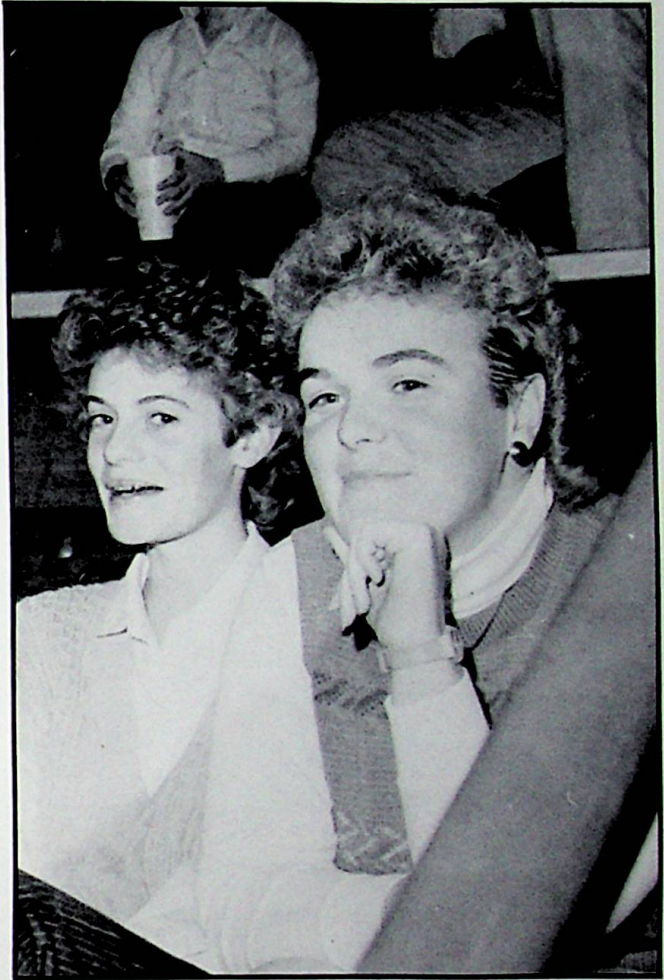

FACES

However, we didn't live this year in isolation. While we passed a year of our lives in the halls of WHS, our country and the world faced many problems and tragedies. We all grieved with the loss of seven astronauts in the Space Shuttle Tragedy.

FACES

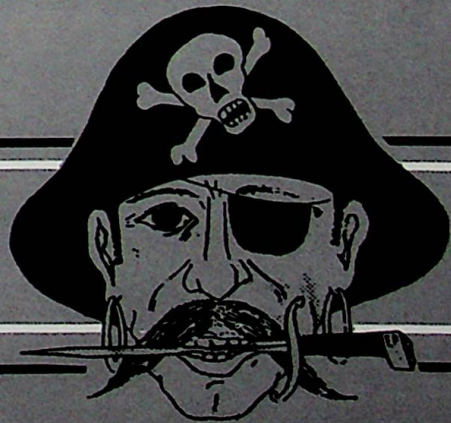

We studied, practiced on the ball field, competed in games, met new friends, and did what most American teenagers do each school year. We don't claim to be original or different; we just know that we spent a good year with good people building Pirate Pride.

ORGANIZATIONS AND ACTIVITIES

THE CHOICE OF A NEW GENERATION

The Wheelersburg band came under the direction of Mr. Jeff North. He brought with him a new and different style of marching, the 90 degree instep. He also incorporated a "fan-fare" or a fast entrance. Next year Mr. North plans on taking the band to band camp in Lancaster.

Band began not with the first football game but many weeks earlier with many long hours of practice. But after each performance whether it be a football game, halftime show or one of the many parades the band attended, all the band members knew that the hard work had paid off.

Seniors Chris Smith and Ann Musgrove let down their flags after a dazzling halftime show.

THE MIXED CHORUS

The large 210-member mixed chorus, under the direction of Rebecca Climer, put together three major performances this past year. They did their traditional Christmas concert with the band, plus two spring concerts, one for the public and one at the grade school. As with the Select Chorus, the mixed chorus also added more visual effects to their performances as was seen in their rendition of "Automatic" and their hand-signing of "Just for Today." Top Left: The soprano section moves to "Mr. Santa" at the Christmas concert.

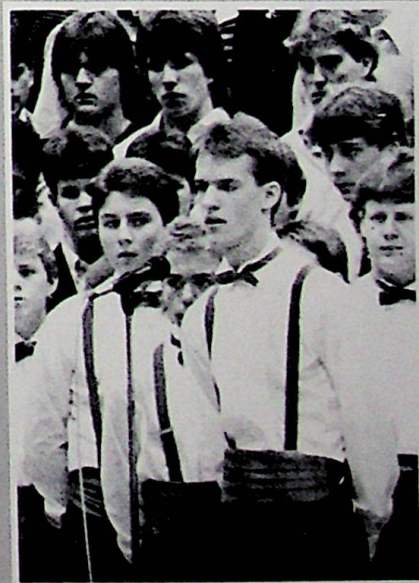

Top Right: The altos sing solemnly. Above Left: John Cunningham and Ricky Wilburn show their new eye shadow to the audience.

Above Right: Shouldn't that wave be accompanied by "Hi Mom!"?

THE STAGE IS A WORLD OF ENTERTAINMENT WITH THE WHS SELECT CHORUS

The talented Select Chorus, under the choral direction of Rebecca Climer, performed many successful concerts throughout the year. They enhanced their visual effects with the money they earned from their candy bar sale by hiring a professional dance instructor, Joan Walton, who helped them with their choreography. This proved very beneficial, although it was a lot of work. By the time the fifty-member group reached the stage and heard the applause, they knew it was all worth while. Decked out in their black-white-red show clothes, the Select Chorus performed their medley of Broadway hits at the East High Musical Critique in the fall, as well as at the Wheelersburg grade school at Christmas time. Christmas was a busy season for them as they performed many shows a week for community and civic groups. In the spring they had time to expand and polish their Broadway show. They performed it first, in its entirety, at the Scholarship Banquet and again for a school assembly, and finally at a concert with the Jazz Band. The show was enjoyed by all and hopefully the Select Chorus/Show Choir at Wheelersburg High will continue to branch out in their musical endeavors.

Cherish the Moments

The Football Homecoming is always a highlight of the year. This year senior Michele Piquet was crowned queen by football captains, Todd Jenkins, Kevin Hamilton, and Rick Wilburn. The after-game dance climaxed the two-day festivities which included a parade and pep rally. The queen and her escorts reigned throughout the evening as they "Cherished the Moments."

“PICK A DILLY”

The 1986 Junior Class Play, “Pick A Dilly,” told the endeavors of eight relatives fighting over a large inheritance. The plot revolved around Rod Benedict who, in order to inherit the money, had to propose to one of the Dilly Sisters or forfeit everything. As the cast plotted to keep Rod from proposing, Rod fell in love with April Dilly. They married at the end of the play and received the inheritance.

QUIZ BOWL STATE CHAMPS

The Quiz Bowl Team, under the direction of Mrs. Nancy Miller, had an outstanding year. They received first place in the Scioto County competition to give them a record of 11-0 for the third straight year. They then placed first in the Southern Ohio Academic Competition at Shawnee State. The team also won the WOWK High Q competition on channel 13, placing first out of 32 teams from the tri-state. This was the second consecutive year they won this title. These victories enabled them to compete in the second annual Ohio State Academic Competition where they again brought home the first place trophy. Finally in May, the team travelled to the National Quiz Bowl competition for the third straight year. This year the competition was held in Miami, Florida. The team lost in the second round but still had a fabulous year. **CONGRATULATIONS** to Mrs. Miller and the entire **WHS QUIZ BOWL TEAM!**

THE NATIONAL HONOR SOCIETY

The George Rightmire Chapter of the National Honor Society, under the supervision of Katy Zink, participated in three charity functions: a spring daffodil sale for the Cancer Society, a purchase of an artificial Christmas tree that they donated to the high school, and a donation to the Quiz Bowl Team. The Society also added some laughter to the Christmas program by presenting each teacher with a gag gift and some cheer to the season by decorating a Christmas tree in the front lobby. FOOTBAL

SENIORS LEAD BURG TO 8-2

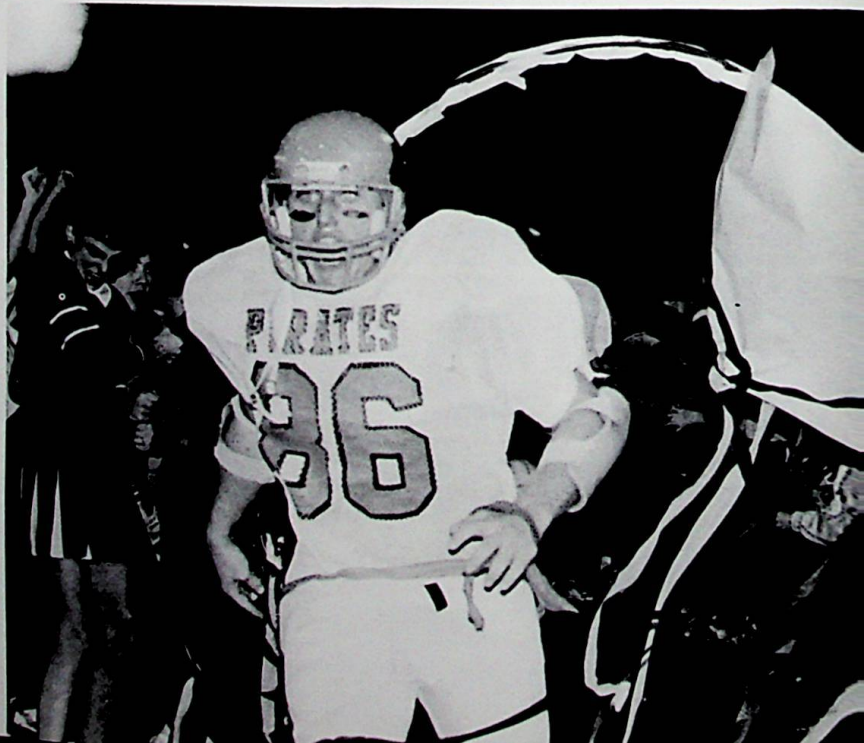

The 1985 Football team, led by their twelve seniors, started the season with a six game winning streak and a first place in the region, but a controversial overtime loss to Minford ended the perfect record. The Northwest win fired up the team and the school, but a loss to Portsmouth West ended the Burg's playoff hopes. The Pirates finished the season with a second rally to beat Circleville and claim an 8-2 record for the year. The team was held together by Tri-Captains Todd Jenkins, Rick Wilburn, and Kevin Hamilton. The team appreciated the support of the M.O.P.'s and the fans this season.

BUILDING FOR THE FUTURE

We can be proud of our Reserve and Freshman teams this year. The reserves posted a season of four wins and one loss under the coaching of Mike Schomburg and Paul Boll. The transition from junior high to high school was a learning experience for the freshmen under new coach Mike Schmidt in having a record of three wins and two losses. These teams are looking forward to playing for the varsity under the lights.

Pirates still move the ball under oppressing odds!

MAKING TRACKS

With only three experienced runners returning from last year's district runners-up, the 1985-86 Cross Country team went through a rebuilding year. Under the supervision of Coach Jack Brannon and the inspiring leadership of team "captain" Jodi Lyles, the team worked very hard and improved greatly by the end of the season. Although the team did not win any meets, everyone enjoyed the season, and some individual awards were earned. Eddie Scott earned first team All-S.O.C. honors, as well as M.V.P. of the boys team. Tina Maynard achieved first team All-S.O.C. honors and M.V.P. of the girls team. She also placed in the district and earned another trip to the state meet held at Scioto Downs racetrack.

SOCCER

Soccer was a new addition to the WHS sports program this year. Since the team does not start officially until the fall of '86, the team had only a few scheduled games. The girls have been playing on a community team for several years. Boys and girls both will be playing soccer this coming fall.

GIRLS EXPERIENCE NEW THRILL —

WINNING!

The 1985 Pirates Volleyball team experienced a new thrill this season with a winning record of 10-4. The girls were third in the S.O.C. behind Waverly in first and Minford in second. These were great strides after a couple of losing seasons. Their best asset was that they played well together and also got along great together. They promise to be even better next year with all returning except two seniors.

VOLLEYBALL

POWER

Teamwork and concentration help to win the match.

Not Pictured: Angel Shuff and Sarah McQuay.

The girls' team had a tremendous season this year with a 9-1 record in the S.O.C. and 12-4 overall. They became Co-Champs by trading their one S.O.C. loss with the Lady Falcons who were also 9-1. In tournament play they competed in the Portsmouth Sectional. They breezed by West in their first game 61-28. The second game was much tougher with another matchup between Minford and the Burg. The Pirates became victorious in a 69-66 overtime win. In the third and final game they claimed the sectional title with a win over northwest 51-48. They were defeated in the Districts by the Piketon Red-Streaks to become District Runners-Up.

PIRATE

POWER

The girls fine season can be attributed to five seniors who played together for six years and a pair of coaches who cared not only on the court but off the court. Efforts during the season turned into awards at the end of the year. Carole Brown received 1st team S.O.C. and the team Rebounding Award; Dena Austin, 1st team, M.V.P., and is playing next fall for Shawnee State; Jamie Mougey, 1st team, Defense award, and is also playing for Shawnee State; Amy McQuay, 2nd team, Pam Marshall 2nd team and Foul Shooting award, and Laura Lockard Academic award. Good job girls and congratulations on a great season!

"The girls worked hard for this, they deserve it," Schwamberger said. "They deserve it, the School deserves it and the fans deserve it. They helped pull us up when we were down."

After a really emotional win over Minford the Pirates had to come back and finish with Northwest. They almost lost the final game of the Sectional but came back from the thirteen point deficit to win!

BASKETBALL

Future Looks Bright for Pirate Basketball

The future looks bright for Wheelersburg Basketball after a successful season with three seniors, four juniors, and six sophomores. Led by senior captain, Jeb Bihl, the team pulled together with special play from the sophomores to show a lot of promise for future seasons. Sophomore Mark Eaton received several honors including 1st team S.O.C., 2nd team District and Honorable Mention All-State. He also received the team foul shooting and M.V.P. awards. Jeb Bihl received 2nd team S.O.C. and several team honors including the rebounding and efficiency awards. Sophomore Andy Rase claimed the assists award.

Freshman & Reserve have great seasons

The Freshman and Reserve Teams both had very successful seasons this year. The Reserve team had many players that shared time on varsity and reserve. They won most of their games improving on other records set by earlier teams. The Freshman squad showed a lot of promise with great play on everyone's part. They were 19-2 and the only teams to defeat them were also served their only loss by the Pirates. They were Greenup Co. and Paul Blazer in Ashland.

Reserve basketball team: 1st Row: Mgr. Richard Nelson, Coach Mike Schomburg, Mgr. Jim Lewis, Mgr. Alan Bayless. Second Row: David Martin, Jason Willis, Jim McClure, David Newsome, Chad Mowery, Kirk Patrick, Bill Thacker, Richard Tolbert, Rocky Croy, Brian Pack, Matt Freeman.

The team placed second behind Waverly in the S.O.C. track meet. David Newsome, Rich Turner, and Mike Bayless all qualified for the regional track meet in one event, while David Traylor qualified in two, the shot put and discus. All of the members worked hard and the future looks very bright.

Girls Get New Coach

The 1986 girls track team, under the direction of first year coach Bialkowski, enjoyed a successful season. The formation of the girls softball team cut into the size of the girls track team, but it inspired the remaining girls to work harder than ever. The girls finished third in the S.O.C. track meet and second in the district track meet. The 3200 meter relay

team and the 1600 meter relay team qualified for the regional track meet. Some individual qualifiers were Tina Maynard in the 1600 and 3200 meter runs, Jamie Fenimore in the 100 meter and 300 meter low hurdles, Kim Cogan in the 800 meter run, and Berit Arnesen also in the 800 meter run.

POWER

AND SOFTBALL

The 1986 girls softball team was the first one at Wheelersburg High School. Usually first teams of any kind have slow starts. The softball team played a light schedule this first season but found the short season to be rewarding. Under the coaching of Mr. Massie, the girls gained experience and had a good time. Spirit was high and hopes for future teams looks positive. This added sport is another opportunity to get as many students involved in the sports program as possible. The Pirate Pride is made possible by people who participate.

Becky Southworth works hard to get the ball.

Sarah McQuay demonstrates the proper batting position.

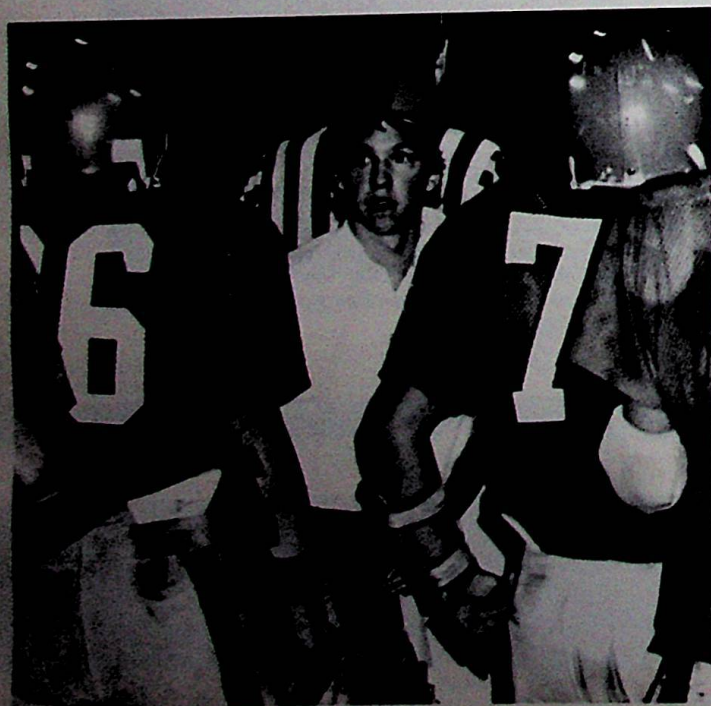

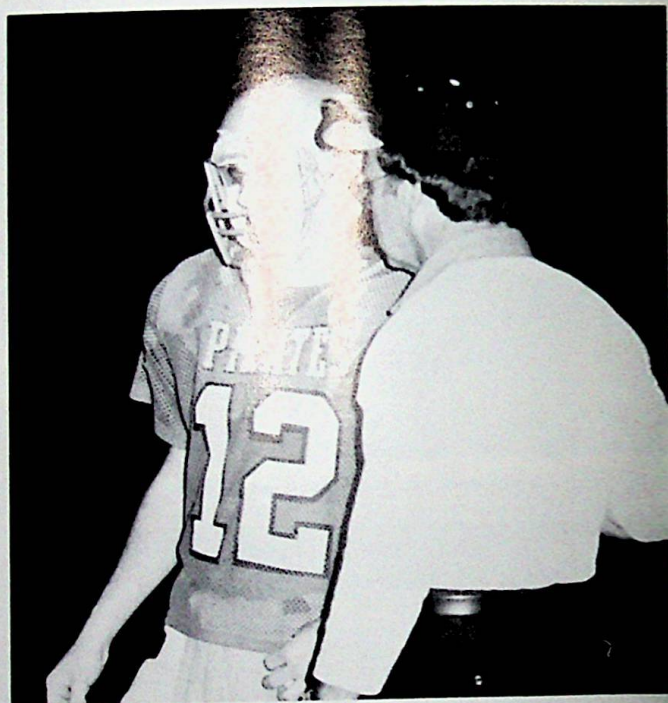

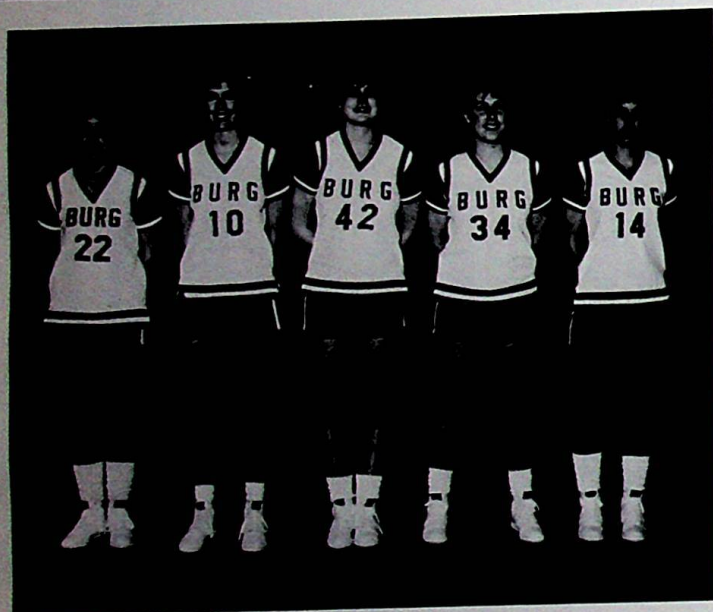

After bunting the ball, Kathy Bell hurries to first base.

Row 1: Dena Austin, Jodi Lyles, Chris Gillespie, Sarah McQuay, Rhonda Miller, Jamie Mougey, Lisa Spriggs. Row 2: Julie Lyles, Kathy Bell, Becky Southworth, Kelly Kinker, Joanie Burchett, Kim May. Row 3: Coach Massie, Tracy Hamilton, Lisa Adams, Kristina Gerlach, Crystal Gleim, Amy McLaughlin, Missy Williams.

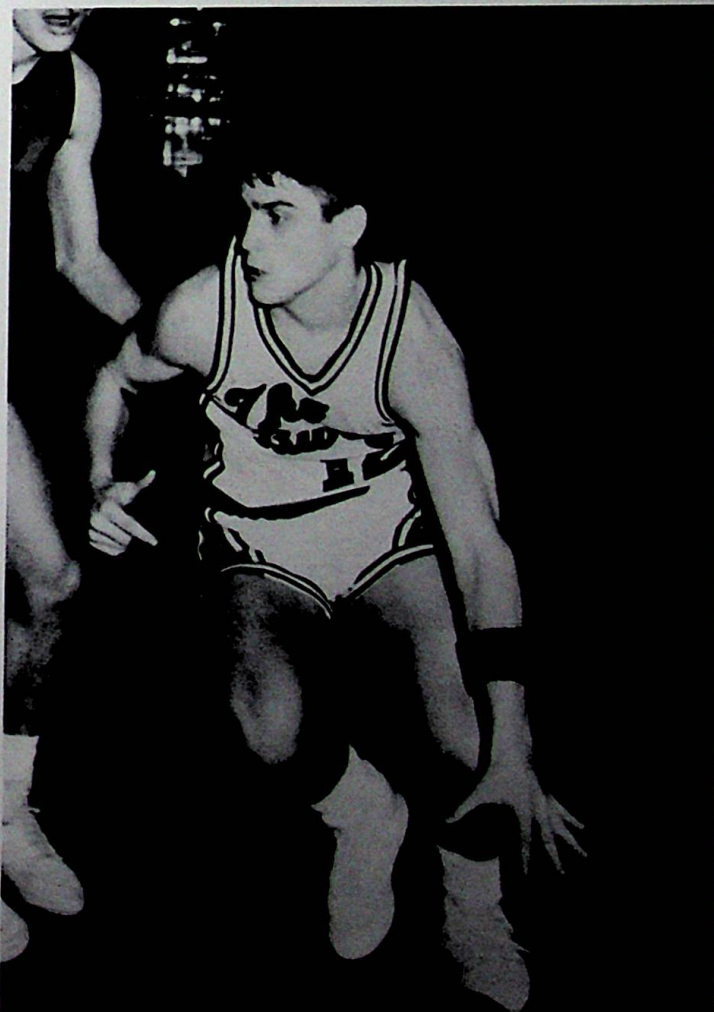

The Pirate Pride can be seen throughout the Wheelersburg High School sports program. The school year begins with football, volleyball, cross country, and golf. The winter brings an active basketball schedule for the boys and girls. The spring sports round out the year with baseball, softball, and track. We appreciate the hard work put in on long practices to make our teams shine in

YEAR IN REVIEW

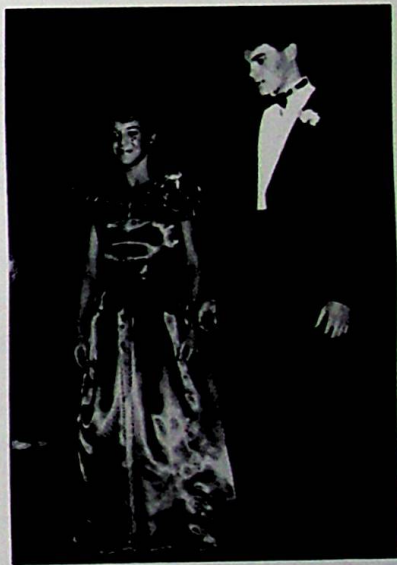

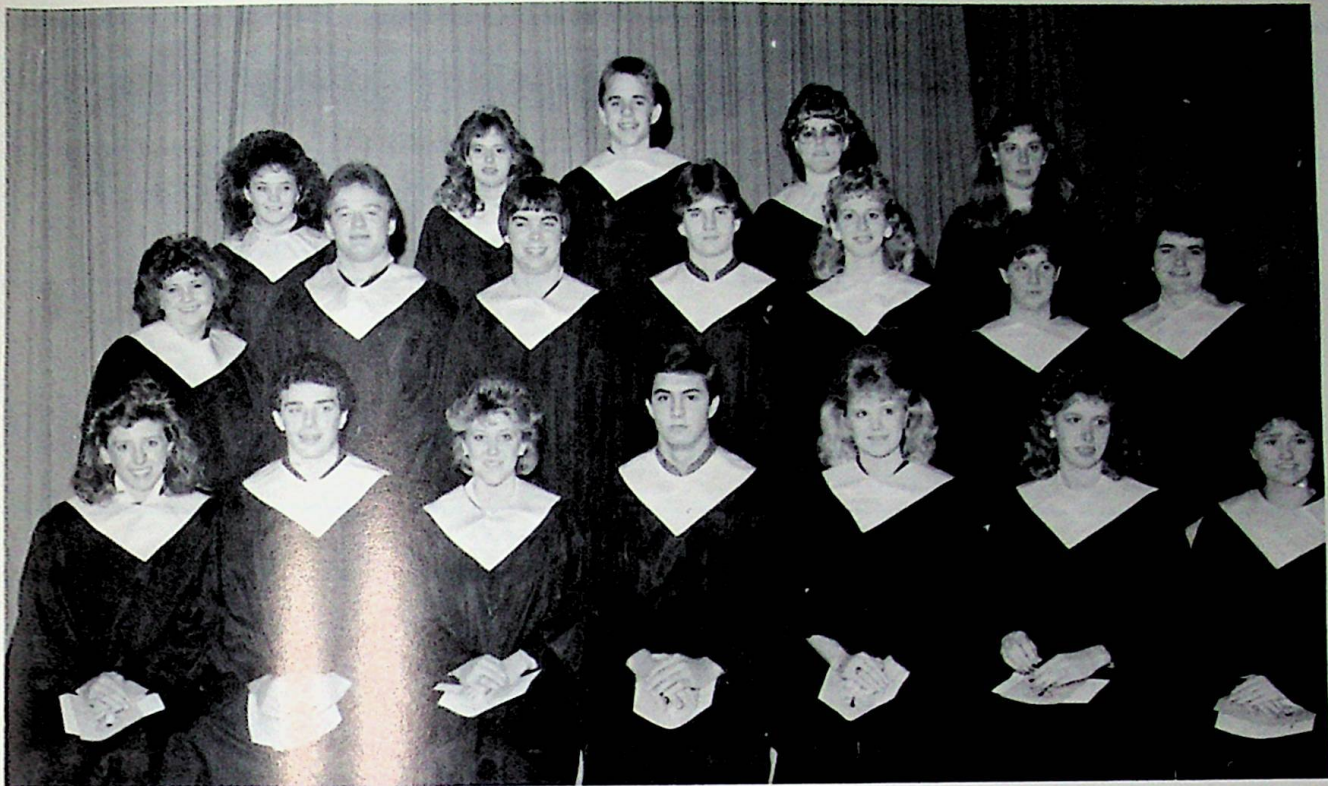

Highlights of a Successful School Year

Every year has its own personality. Something that happened this year will distinguish it from all the others. The things that we remember about the school year 1985-86 at WHS will be varied, but a few of them will include the following: the band had a

new director and new uniforms; music continued to play an important role in our school through the choral productions; ballgames, scholarship banquet, homecomings — all were very special, especially to those who had a part in their success; the quiz bowl's High Q

team won again this year!; those inducted into National Honor this year should receive special congratulations as well as the seniors who took the final walk at graduation. *Yes! It was a good year!*

Nuclear Disaster

A Soviet nuclear catastrophe on April 25, 1986 near a highly populated city called Kiev, caused the evacuation of nearly 100,000. The nuclear plant located at Chernobyl went through a massive meltdown that caused nuclear fallout at high levels throughout Europe. The area may be uninhabitable for many years.

South Africa

South Africa's battle over apartheid heated to a boiling point. The world reacted with economic sanctions on South Africa, but the bloody conflict between blacks and the ruling white continued.

Terrorism Brings Fear

Terrorist activity including airport attacks in Rome, hijackings and bombings, caused fear among the world population. Americans were primarily the target and this led to a decrease in world travel and an increase in security throughout the world.

Halley's Comet Makes an Appearance

Halley's Comet makes a once every 76 years appearance. The world watched for a glimpse of the heavenly display. Special flights, parties, and Comet watchers geared up for a year's viewing of the mighty comet.

NATION GRIEVES LOSS OF SHUTTLE CREW

No one that watched the Space Shuttle Challenger explode in midair over Kennedy Space Center in Florida on January 28, 1986 will ever forget the stunned horror. The seven astronauts that were killed will be forever etched into our memories. They were Dick Scobee, Mike Smith, Greg Jarvis, Ellison Onizuka, Ron McNair, Judy Resnick, and Christa McAuliffe.

Reagan Takes Aim at a 'Mad Dog'

Continual terrorist activity against the U.S. culminated in our country's reprisal attack on Kaddafi's Libya. President Reagan ordered the attack on the Maddog, Muammar Kaddafi, on April 14, 1986.

Aid to the Contras

Conflicts throughout the world found a place within our country as Congress was faced with requests for aid for the Contras in Nicaragua. Phillipine's leader, Marcos, made a hasty retreat into seclusion while Corazon Aquino took over the troubled country.

The Statue of Liberty has undergone a complete facelift that will be revealed during celebrations on July 4, 1986. This will be the 100th anniversary of the Statue of Liberty, our symbol of liberty and freedom.

Shawnee State Becomes Four Year College

Shawnee State Becomes University

Shawnee State Community College received authorization to become a four-year university. This was good news for the community as well as Shawnee State.

The Portsmouth area had two new restaurants open this year. Sarah's opened up in the Old Stone Pipe building. Burger King opened in Portsmouth and plans for a new McDonald's and another Burger King are in the works.

The Wheelersburg Cinema went through an expansion program and added three new theaters.

The Goodyear Atomic Plant closed much of its facility resulting in the loss of many jobs. The community continues to feel the crunch of unemployment.

SPORTS

The Superbowl saw the Chicago Bears on top. The Boston Celtics won the NBA trophy. Golf, baseball, world soccer, and many other sports consumed the attention of the American sports' lover. Drugs in sports took top headlines as more and more drug involvement was discovered in the sports' arena.

LIFESTYLES

Coke-Pepsi Bottle Continues

Fashions

Oversized shirts, stirrup pants, jams, camp shirts, jelly bracelets, Reebok tennis shoes, flowered shirts, new hairstyles — all became a part of the scene at WHS.

Top Songs

"That's What Friends Are For"
"The Greatest Love of All"
"Rock Me Amadeus"
"Who's Johnny?"

Phil Collins, Bruce Springsteen, The Hooters, Whitney Houston, and Mr. Mister all found top spots on the music chart.

Movies and T.V.

VCR's made video stores very popular. Movies, "Out of Africa," "The Color Purple," "Top Gun" as well as T.V.'s "Moonlighting," "The Bill Cosby Show," "Family Ties," and "Miami Vice" took top places with viewers.

MISC.

The disease AIDS became the topic of research and gossip as actor, Rock Hudson, died of the homosexual-related illness.

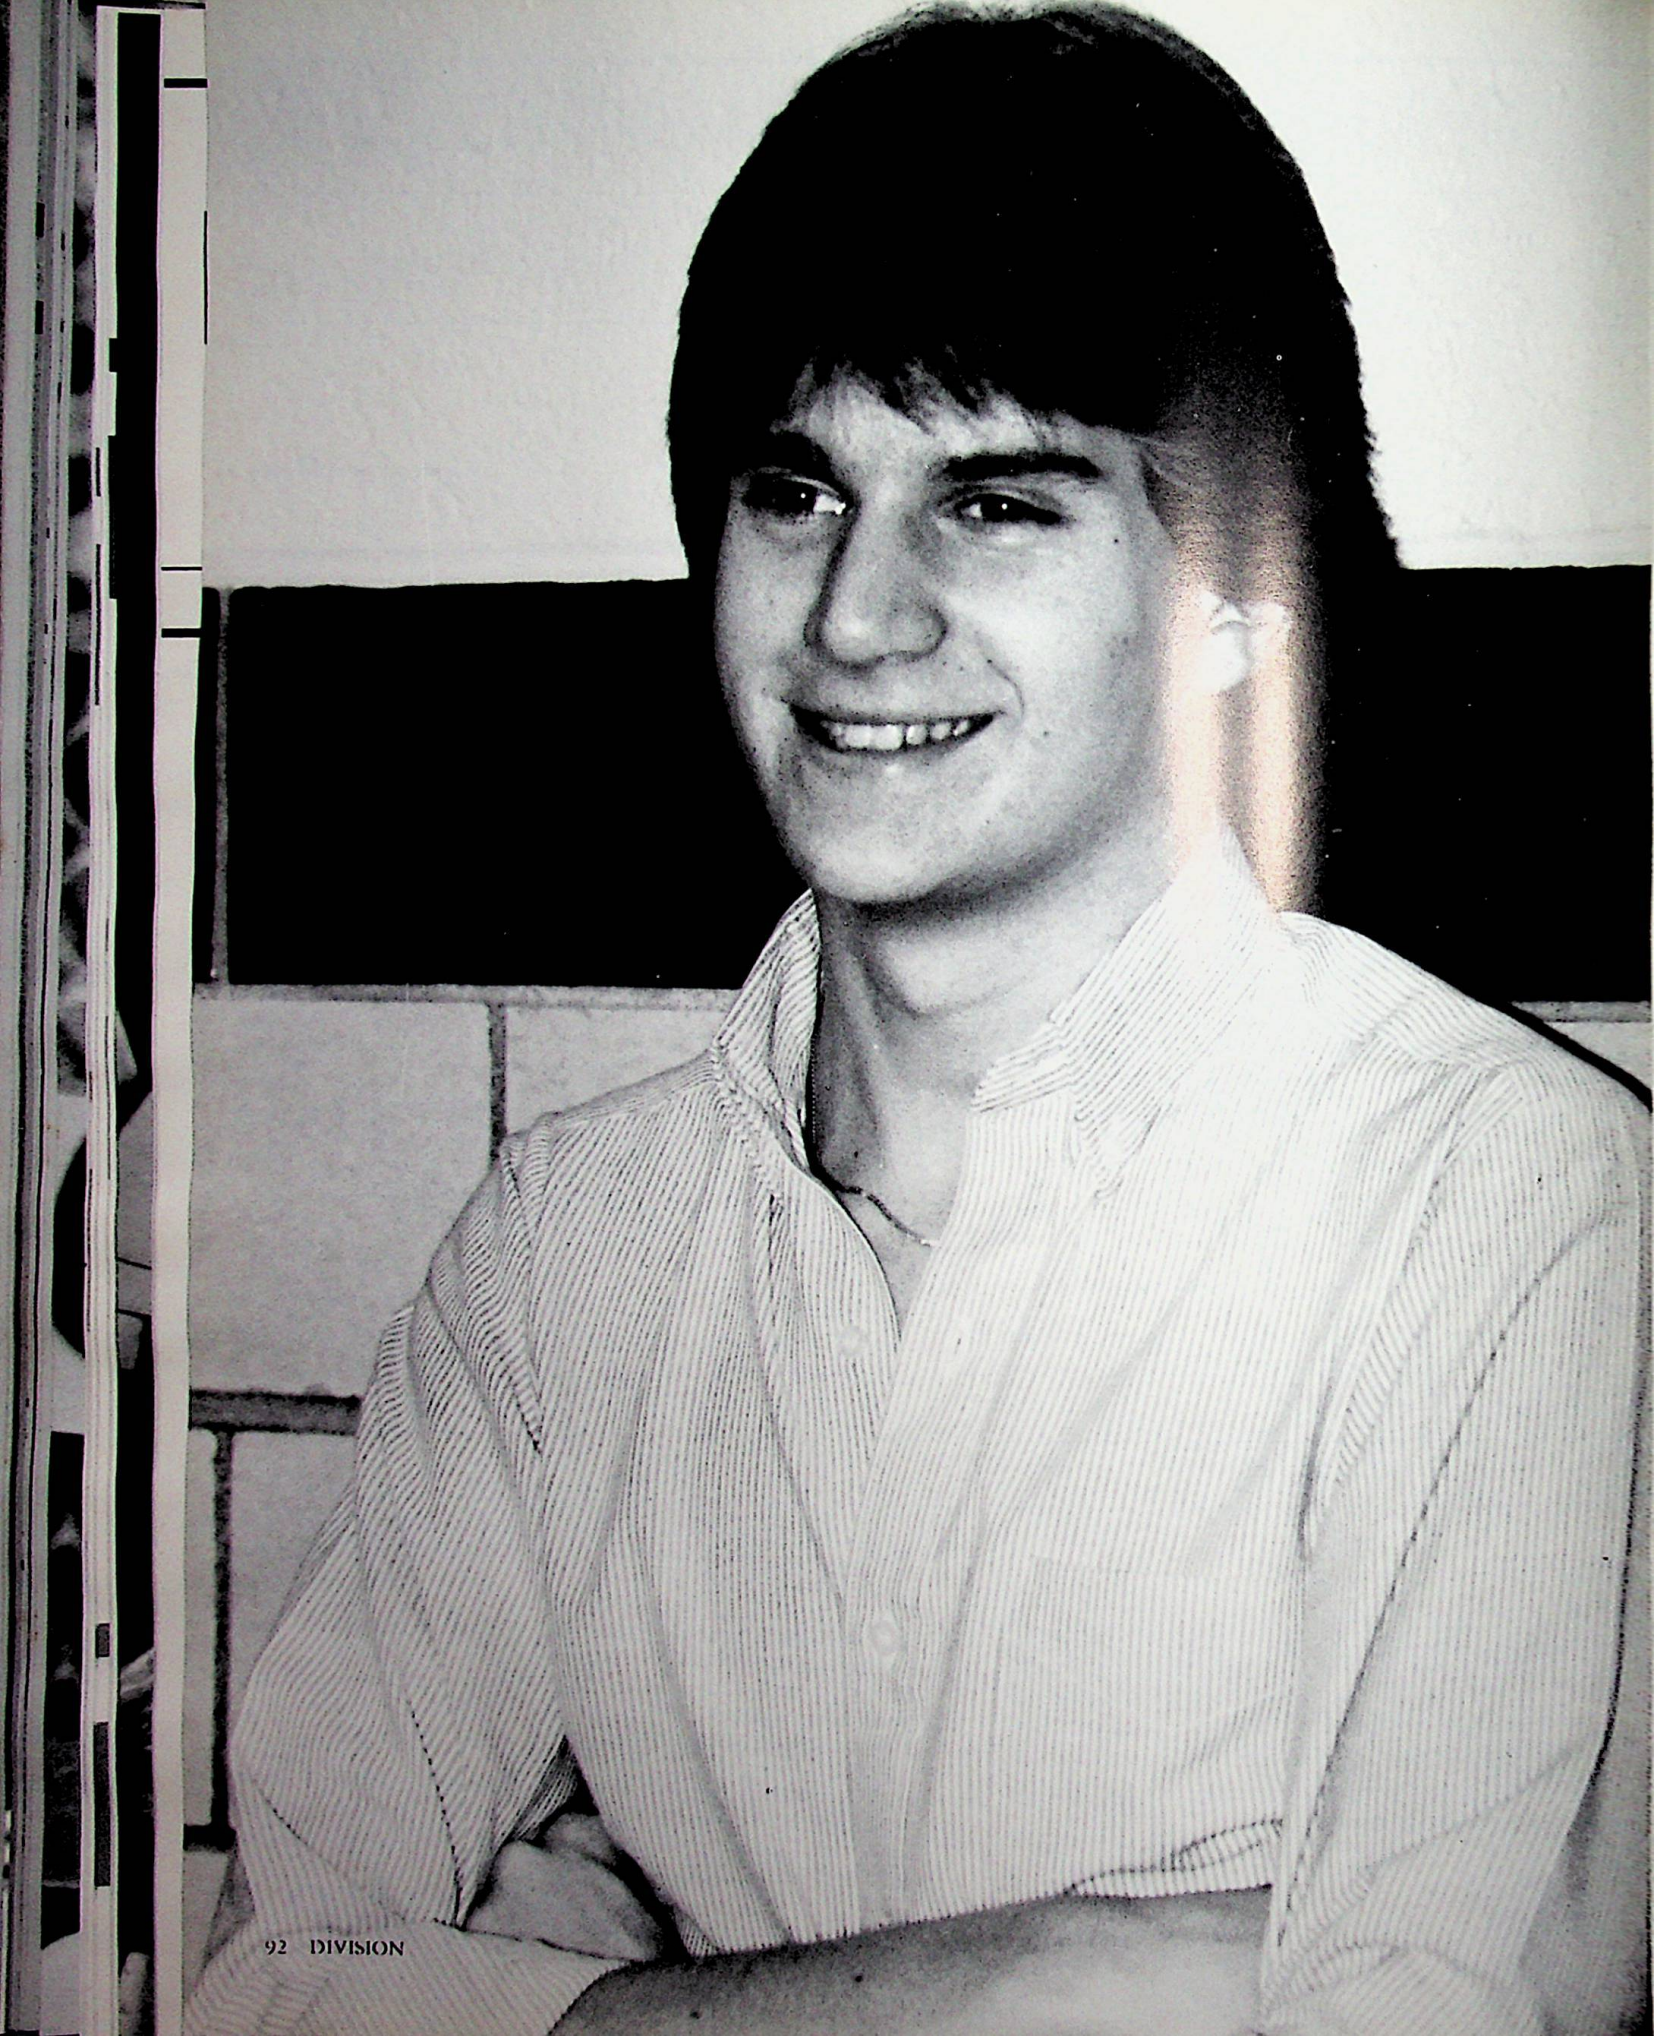

Fund-raising went professional this last year with rock concerts, records, etc. and were used to bring "aid" to the hungry, homeless, and poor. Hands-Across-America attempted to make a chain across the U.S.A. Coke and Pepsi continued to battle for first place.

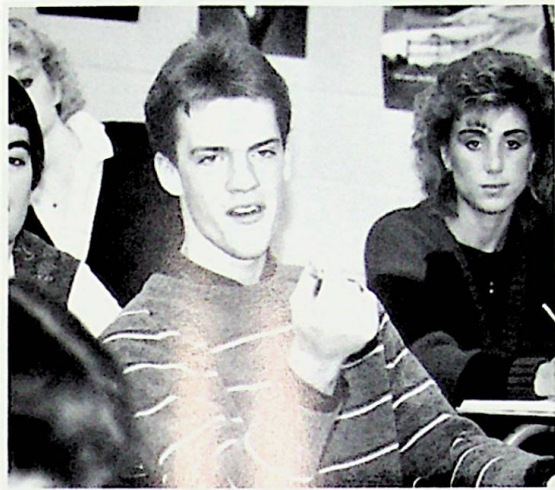

The good and the bad continued in the world . . . and we continued to develop Pirate Pride as we worked, played, and spent our days at Wheelersburg High School in Wheelersburg, Ohio.

A few years ago this community lost a fine member in Wendell McBrayer. He was remembered this past fall at a football game. In October Pirate jersey number 40 was retired in his honor. In attendance were his parents, several former teammates, and coaches. The memorial can be seen in the Varsity football locker room. The workmanship was graciously done by Joe Wallace. Wendell McBrayer was a fine athlete and person and the retirement of his jersey was a sign of the community's appreciation.

Our Foreign Friends

The Senior Class of 1986 was quite lucky because we received two very lovely new additions to our class — Berit Monica Arnesen from Vestley, Norway, and Jenni Green from Sydney, Australia.

Living in the United States was quite a change for both of them. They both admit doing a lot of wild shipping when they first arrived, but now their only money problem is determining the difference between dimes and nickels, according to Jenni. Berit says that figuring out if something is a good buy or not is her main difficulty due to the difference in currency.

Basically, both Jenni and Berit have adapted well to the American way of life. The language has not been a large barrier for either of them since Jenni already spoke English and Berit has taken English classes since she was in grade school. They still find some of our words unusual because we give them more than one meaning.

In Australia Jenni attends an all-girl school and enjoys going to the beach, shopping or going to the movies. Dance clubs are also prominent social scenes in Australia. Here at WHS Jenni participates in Select Chorus, is a

member of the yearbook photography staff, and enjoys ballgames, Fred's, the cinema, like the rest of us do.

In Norway Berit enjoys riding and showing horses as well as snow skiing. Here Berit takes karate on Tuesdays and Thursdays, is a member of the Spanish Club, and participates on the track team. She also enjoys the same Wheelersburg activities of ballgames, movies, Fred's, and cruising.

Berit and Jenni agree that coming to America was a very fattening experience. Berit says she has gained twelve pounds by eating her favorite new food, cheese cake. Jenni likes Miracle Whip and the wide variety of bubble gum. Both enjoyed the more relaxed style of clothing.

Friendships are hard for Jenni and Berit to establish since they both know that they will be leaving in the summer. Still, they're both happy that they have the chance to live in the United States and take part in our way of life. They say they will miss the friends they have made at WHS this past year. We will miss Berit and Jenni, too. Thank you for spending this special year with us!

SUPPORTING STAFF

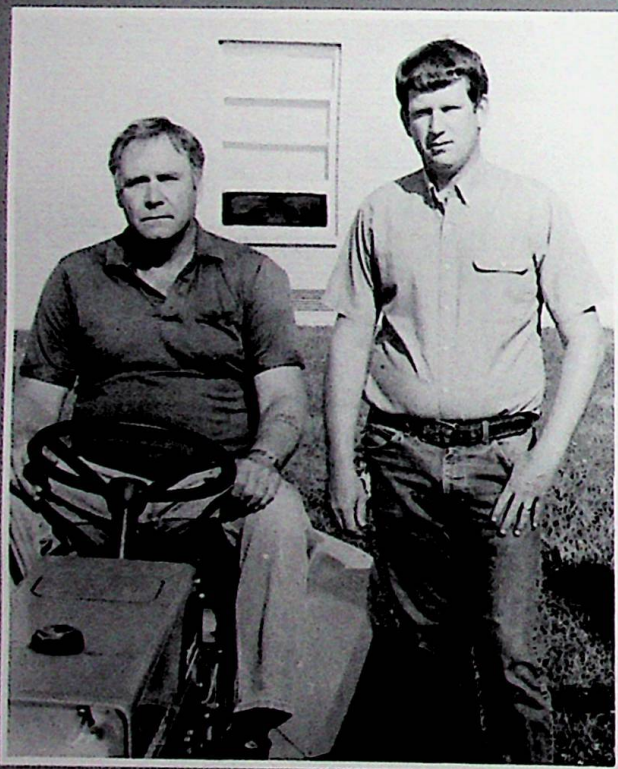

Secretary for the Principal

Jeri Morgan

Students, parents and teachers appreciate the helpful and cheerful person behind the desk in the office. Mrs. Jeri Morgan has worked for Wheelersburg Schools for fourteen years. This year was Mrs. Morgan's second year as secretary to the principal.

MAINTENANCE STAFF

Richard Bolander, Bill Schwamberger

Rich Bolander and Bill Schwamberger keep the building and grounds in excellent shape. It is a big job to clean and maintain a building where nearly 600 teenagers live for seven hours five days a week. But these men along with their helpers do a great job!

SCHOOL NURSE

Both students and staff have found a friend in the nurse's office at WHS. No one likes to be sick (except some students when there is a test), but it is good to know that there is professional and caring help there when you need it. Many students have also received good advice and counsel from Judy as well as medical attention.

Judy Bolton

KITCHEN STAFF

Faye Conley (left) Connie Boggs, Linda Brown, and Dorothy Meade (above) work hard at a very thankless job. Tradition dictates that high school students will complain about school lunches. But the kitchen staff takes it all in stride and tries to produce lunches that have variety, nutrition, and that are affordable.

OFFICE PERSONNEL

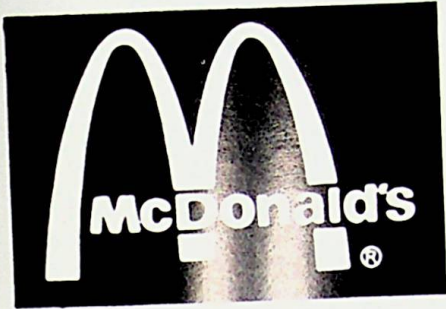

L-R: Betty Pack, Gerry Smith, Brenda Lester

The office aids and secretaries do work that students usually don't see unless they need something specific. Mrs. Lester assists students with their schedules, transcripts, etc. in the guidance office. Mrs. Pack helps Mrs. Bibbey and students in the library. Mrs. Smith works on records, types, and assists in the office. They help keep the school running smoothly.

OUR THANKS

The staff at Wheelersburg High School is a group of very dedicated people. To keep a school clean and efficient and a place where education can be carried on is not an easy job. But the students and teachers at WHS appreciate, even if we fail to say it often, the organization and hard work put in by our staff.

Pirate Pride

Another year has ended. Pirate Pride was evident throughout this 1985-86 school year. We made many new friends, hopefully learned a lot, but more importantly, did numerous activities that will now be a part of us and have become our memories.

We have been very fortunate at Wheelersburg High to have teachers who care, students who want to excel, a community that backs us up, and a spirit that won't die. This is what the Pirate Pride is all about.

The Wheel '86

It was a good year!
