Sept. 7 1891.

A nice warm day  
He gathered the  
sheep, all in and  
marked them  
then we started  
the cattle over  
to Mr. Chaffin  
to way them.  
After waying the  
six boys helped  
drive them over  
to Mrs. Bassett.  
He lost one, so  
I came back  
to find it but  
failed. Smith &  
Genie came back  
and Mr. & I went  
on. He stayed  
over night at a  
place I could see

Sept. 2.

A nice warm day.  
After helping  
Mr. Hanawald  
off I started for  
home. On going  
on with truck.  
The had above  
about 25' mud  
yesterday.

The sheep was  
about worried  
out last night.  
I arrived at home  
at half past  
twelve o'clock.

Was about feed out.  
Jined around the  
rest of the day.  
Helped Pa get ready  
for town.

Sept. 9.

It rained, snow  
showing during the  
day. Pa started to  
town about 2 this  
morning.  
He took the wool.  
Smith was layed  
up with the  
sore eyes.

Genie plowed  
about half day.  
I sowed a patch  
of turnips, and  
cleaned out the  
gottberrin grape  
and rasp berry.  
Then helped Genie  
haul rails.

Sept. 4.

A rainy bad day  
Pa got back from  
town about mid-  
night layt night  
he have a fine dinner  
Pa brought several  
things from town  
saddle, bridle,  
and a number of other  
things.

He have covered the  
chickens,  
I put two handles  
in shovels and two  
sawdocks.  
Have saved a lot  
of apple seeds.

Sept 5. 18  
A very wet foggy  
looking morning  
but clear off and  
make a nice day.  
Pa went down to  
the sawpods and  
bought about all  
his cattle.  
The boys picked  
around and got  
up the colts.  
Lure came down  
so sent a few rods  
down to the  
oil on the colts.  
He came back  
about 7 o'clock.  
Omer & Ellie  
came down. He did  
not stop anything but  
go to church in the evening.

Sept. 6.

A rainy morning  
but a nice cool day  
Stayed at home  
all day. Sewing  
Guss took a ride  
John call a laid  
all night last  
night.

Old boys were  
down by the barn  
where the colts  
were and I got  
backed which  
kept me from  
going to the  
the dingy.

Sewer went down  
in the evening  
and told the folks  
about me getting sick  
which caused a little excitement.

Sept. 7.

A nice day.  
The first time  
for some time that  
all 3 of us were  
here and ready  
for work.

He rigged the team  
to work. Smith  
plowed. One horse  
B, benched fixed  
fence - broke  
colt hauled  
gravel, grubbed  
and muddied  
I finished the fence  
so we could  
go on the bottom  
this evening.

Sept 10.

Another cool morning  
and a nice day.  
I have worked  
at the trees, budded  
down around them &  
washed them  
with lime soap.  
Pa & the boys  
are preparing the  
ground for wheat.

Sept 11.

A nice day.  
Pa and the boys  
are still at the  
wheat ground.  
I helped Pa with  
a new colt in  
the morning.  
then went over  
to the falls, after  
birds. Finished  
budding today.  
Dug around the  
trees and washed  
them with  
lime soap.

Sept. 12.

A nice cool day,  
top, and don't  
know days coming  
before we get  
ready for the re-  
mainder.

The boys gathered  
about half past  
7. He started  
for the by with  
a right good part  
of the band.

Arrived at Aunt Rhoda  
about half past 9.

He attracted no attention  
until we reached the  
gate. Then we cheer and  
beat. He played which  
about 9. Then he held  
our election and elected  
me as major or doctor.

Sept. 12 & 13.

Some of us boys stayed  
till late. About 6  
of us came around  
by Uncle Ed's house.  
about 10 o'clock at night.  
He had a lively time  
but a telegram came.

M. P. A. D. D. manager  
to come home.

They were about as  
I said as we saw it.  
But the game went to  
the fall.

Smith came home so  
he layed around till  
about three then M. P.  
D. D. went down to  
Lynn's. Our last night  
with the bird the  
fed by. and came by  
then of us were at church.

Sept-14.

A nice cool day  
Phoebe went on fire  
Smith lay off  
on the account of  
my eye.

Ms. Fall brought  
over Susan's colt for  
me to break.

He put it in  
so we had 4 days  
for a start on  
muncha.

I rolled half  
day and plowed  
the other.

My eyes have  
felt blanky.  
I feel it in  
the good eye.

Sept. 15.

A nice day  
blowy and thug  
rain in the  
day.

I have plowed  
all day.

Pa & the boys  
have hounded  
the mount of the

day. Pa made one  
trip to the saddle  
Ad. her had the

Perry & Hard. helped  
they.

Shull enough  
my eye was a tw  
kath. wellid and  
read.

Was the read eye.

Sept. 16.

A nice day  
I have flown  
all day.

Pa went over to  
Mr. J. King after  
some mud.  
He did not get  
back till late.

Sept. 17.

A nice day. Warm  
Pa & Matt went  
to town.

I have flown  
the most of the  
time. Helped  
clean off a strip  
of ground to plant  
my eye as usual.

Pa & Matt went  
to town last night  
to send mail.  
They got back  
about 10 this eve.

Sept 18.

A mild day  
As late this  
morning  
I have plowed  
or rather pestered  
to plow, have  
made 3 breaks  
but plowing  
amongst other  
as has fixed  
the harrow  
and made a  
drag.

The eye is  
about the same

Sept. 19.

A mild warm day  
I plowed till  
noon. Harrowed  
the rest of the time  
We have kept  
4 teams going  
the most of the  
time.

The eye seems  
worse, I had to  
quit plowing  
and went to lobby  
the brown paper  
was here. Got  
dinner.

Sept. 20.

A nice, warm day.  
All at home, with  
no visitors.  
Papers in, be  
cause I have  
done a year  
nothing for day  
as I could  
of had a lead  
up to now.  
At the good, Smith  
took Robert & his  
children and went  
to the field.  
Got back at  
after dark.

Sept. 27.

A nice, warm day.  
Smith & I are  
laid up on the  
account of a  
croupy cough.  
I am helping  
John & I are  
pulling corn.  
The boys are working  
in the wheat ground.  
I took Robert up to  
the schoolman this  
morning.  
He is giving me  
a book on the  
schoolman's work.

Sept. 22.

Another warm day.  
Both of my eyes  
are sore. I am  
about as well as  
blind as I ever  
was.

Smith went to  
work at the  
gun & barrel in  
the arm.

Mr. Spence  
was here on business  
at dinner with

Mr. & Mr. Backow  
made a trade  
to get some  
cattle of him.

Sept. 23.

Another very warm  
day.

Smith went  
down to the  
brig after a load  
of fertilizer the  
first load ever  
on this place.

My eyes seem a  
little better  
I have been helping  
to shell beans  
and saving apple  
seeds.

Sept 24

A very wash day  
Pa went to the  
Bang and as usual  
to see a point in  
spectacles.

Had not get back  
till after dark.

All three of us  
have played my  
Guthrie was sick  
Smith's my eye  
are a bit on the  
mound.

I helped shell  
beans and chow  
a bit.

Field day work  
the teams.

Smith & Jerry  
helped to go to the

Sept. 25:

The day still having  
very warm weather  
Pa is drilling  
wheat for the field  
this season.

Genie is able to  
work the team

Feed is rich to day  
I have finished  
my bean shelling  
and commenced to  
thresh out some  
field beans.

My eye all still  
on the mound.

Sept. 26.

A nice warm  
day. The boys are  
at the wheat  
Smith is going  
around.  
I took Robin  
and went up  
to the Arthur  
and around by  
Lake by Rice  
Thompson.  
Eat my dinner  
out Rice & Thompson  
dinner at home  
about 11:00.  
My eyes seemed  
to have the  
Smith went off  
a load of apples

Sept. 27.

A nice day.  
No call to  
to day.  
Patience Smith  
Gym. One good  
dillie. All  
night after-noon  
study.  
I laid copies  
all day and  
gave them to  
Robin.  
My eyes seem  
interested to day.  
Smith went  
down to church  
this evening.

Sept. 28

A nice warm day.

Smith is able to go to work.

His eyes seem better.

The river seem to be pushing us along.

I took the team and hauled in a load of pumpkins and radishes.

and then went to plowing.

Isaac is still sick, but able to hunt and loaf.

Sept. 29

A nice rainy day night. The first

of the season. Perry all

making apple but I had been helping

them. I went to work after

dinner.

The rain has not turned up the ground.

Sept. 30

A very cool night  
and a cool day.  
I plowed and  
hauled in pump  
kins.

I went down to  
the Mill after  
the mail and  
got my mail.

My eyes are  
about the same  
of the work done  
near to do my  
eyes any good.

Mr. Cobill was  
here this afternoon  
in work.
