July 7. - 1892.
Friday.

A warm day.

Went off Cinsitua
& took Robert and
went over on little
Society and to Pinky
the to Webster and
home.

Eat dinner at Mr.
McNally.

The boys went to
stacker and
put up a sick
wheat.

July 2

Sat.

A nice day.
We went to stacking
ing as is shown on
it dried off.
The first up a
rick and typed
out one.

The girls went
down to the
Hill to Church
and went down
to John & Eppie

July 3.

Sunday

Rained last night
and all morning
I went down
and with the boys
and stayed till
evening

Eppie & I went
down and run
Old Bell's Start
Came back and eat
dinner.

Matlin & Coxa came
up with Frank to
the boat log
Celia & I came
around
We had lots of
fun. Entered a
great black being
this year and mixed the

July 4

Monday

A nice day

Hot as usual by noon

The boys all

took a ball game

South & down

went to town

game & then to

the store

at 10 o'clock when

about 10 till 11

did about 10 of 11

and then

blacksmiths

till about 3 P.M.

They all gathered

in with us

and what a

time we had

playing, taking

July 5.

Tues.

A nice day

The diet not yet

pleasemed around

with us

John & his crew

took their departure

and then the Misses

Wassers went

After all we had

a nice time but

would like to

had other news

He went to look

at heat and

stayed the remainder

of the day

July 6.

Wed.

Another nice day
Pa with some of
the boys are plowing
the field.

Henry is digging
a ditch

I am sacking
wheat & tubs
with Robin.

After the dust
of my present
blackness which
and I am sure
accept the
savings

July 7.

Thurs.

A nice day.

By

Henry

9

Henry

July 6.

Friday

A nice day.
Rakes took the
corn and
I & hauled
all the corn

to the east of the
house and cutting
a dam across
the creek.

On a Sunday
evening with
much help
children 3 of them

July 7

Sat.

A nice day.
The men had hauled
in the wheat rakes
and cut some
grass and hauled
it in.

In nice shape
for a ram and
to pass on
Sunday.

Walter & Tracy
went down to
Church
Smith's farm
shopped and
bought some

July 10.
Sun.

A nice day.
All well, and
at home.
I took
the pullover
up to Aunt Rhye
P. & D. took a couple
of buckets and
went up to the
orchard
and brought
them about a bush
of ripe peaches.
I have now
I have been talking
of the improvement
that ought to be done
in the steam engine and
its advantages, as
of a tile factory.

July 11.

Monday

A nice day.
A heavy fog and
it went up.
A small shower
in the evening.
I cut with the
machine about
all day.
Got done with
the hull.

July 12.

Tues.

A nice day.
I cut a piece
of grass below
the road.
Came over and
had to buy
the machine.
After dinner
I fixed a hauler
trayful of
I feel as though
I had a touch
of cold or
Cust a little
after supper.
Feel very
bad.

July 13.

Wed.

A nice forenoon
but rained
several showers
in the evening.
The pinup
Capturing the
holder piece
and hauler
in a couple of days.
I am getting
better of my
sick spot.
Our muscles
are considerable
better than
we thought
they were.
Going to get
a big lot
from the holder.

July 14

Thursday

A nice day.
I left work last
night but did
get things ready
for the afternoon.
Raked hay
in the afternoon
morn till about
twelve.

Jim, Hamer, Roy
& Jimmie, Shubert
was here till
evening. They
took the sheep
up to the
pen. Started
to plow
the field
before the wheat

July 15

Friday

A nice day.
Rained a little
in the evening.
Pard & I mowed
till noon.
He raked and
put up hay
till the rain
He had a flour
team going
Hauling hay
with another.
Hauled with
another and
raked with a
mule.

July 16.

Sat.

A nice day.
I cut with the
machinery till
noon.

When I see
kept up and
hauled in

Ben's plowed
Smith & I
cut and
found them
down I
went at
to the
sun

Smith & I
boxed at
did not get
with

July 17.

Sun.

A beautiful
day.
Very cool at
night.

We all at
home and eat
glue.

The boys all
went to church
in the evening.
Smith & I took
a walk after
dinner and
found a
the beach
found a ripe peach
and lots of
huckle berries
All after dark

July 18.

Monday

Cold at night
and nice during
the day.

Worked awhile
this morning

and sold the
S. Baylun cow
over and sold
me the milk
cows.

Worked hay and
hauled the
most of it after
sunset.

July 19.

Tues.

Worked a little
and cut with
the machine
all morning.
Raked and hauled
in hay after
dinner.
The boys are
cutting daily.

July 20.

Thurs.

A very warm
day.

Rained a
short while
in the evening
then got a bird
out of the
trap before
the team
sitting down
has been in
a punched
box.

July 21.

Thurs.

Very warm
looked like rain
and I hauled
myself out
till noon
then got a
Smith's Lark
from the trap
and a
I then worked
at the
to
a
all day.

July 22

Tues.

A beautiful hot
day. We had a good
lot of hay and
only the flat
and a good threat
rain but still
not.

We worked
about as hard
as you ever
saw. Hammers were
all of was about
a wet with
sweat as you
get people.

July 23.

Wed

A very busy day
had a hot day
day of a good
lot of hay and
only the flat

and a good threat
rain but still
not. We worked
the day as hard
as you ever
saw. Hammers were
all of was about
a wet with
sweat as you
get people.

We worked
up about a
snatch hay and
only the flat
and a good threat
rain but still
not. We worked
the day as hard
as you ever
saw. Hammers were
all of was about
a wet with
sweat as you
get people.

July 24

Sunday

A beautiful
warm day

At home all
day

No one here
to stay at any
part of way
Gorham & Henry
Ages - see article
this evening

I spent about
picked all the
huckleberries
I wanted

July 25

Mon

Still very warm
The day hauling
in hay and
oats in
genie is flowing
I platted
saw in the
evening but
did not.

July 26
Fri.

A very warm

day. The water was
so in but failed
I Billed & the
jumped and
plunged a bus
hatch up in
the hulls by
jumps.

After diving
the boys & I
scratched the
seed up.

The boys cut
pieces of
in gold along
of rails and being
the sea side
and gathered up

July 27
Wed

A warm day
The boys
The are reaching
same road.
I am now
following
the supply line
of the hill
Boys are hauling
granite.

George is following
on the hill
Smith, Gunnis
and Fred are
hauling
pieces and
the 93rd
some other tools and

July 28

Thurs.

A warm day.
I am plowing
Jasit is handling
manually
to cut a little
piece of swamp
goal post
hand of the
machine in
a day. The
this - has not
been up & Fred
is back using
muds out of
the corn.

July 29

Friday

A hot day.
I plowed till
night time
got supper at
Carpenter's
The next time
I helped Fred
cut weeds
Lester he plows
with my team
Rained hard
last night
This evening

Pat.

July 30.

A nice day.
I helped Pat
Smith sign their
training for blowing
Smith's Geom
is blowing
with the air

I then went
by the bus by
play. I left
by a meal
at dinner at
Gunt Rhen
Got back home
about 3 P.M.

Hauled wood
the rest of the
time.

July 31
Sunday

A nice day.
Hattie & I
went down to
the Mill and
stayed till
evening.
Got dinner at
the Hammer
Lora & I took
a buggy ride
and went over
to the Cadwell
met with the
three Marshall
girls.
Had a nice
time and can
have before
midnight.
C. O. A.
