June 7. - 1892.

Wednesday

A very warm day  
Rained a little  
I was up on the  
creek in the  
forenoon.

After dinner I  
plowed a patch  
of corn, and then  
Mr. John & I went  
up to the peach  
orchard and worked  
the rest of the  
day  
I showed the  
straw berries out

June 2.  
Thurs.

A very warm  
day.

I stopped at  
the Mill and  
had a shot  
fastened on Rob  
bent over and  
saw Jones about  
1/2 P.M.

bent over at Turner  
and eat dinner  
bent then up the  
railroad only past  
Turner to Miller  
and then back to  
the Turner for  
supper.

June 3.  
Friday

A hard rain  
last night but  
a nice warm  
day  
I came over to  
the fair about  
2 P.M.  
Had several  
calls but  
all of no good

June 4  
Sat.

A very warm  
day. Rained  
very hard last  
night.

Eat dinner at  
Uncle Lenny  
Cannery house  
about 3 P.M.

June 5.  
Sun.

A nice day  
Rained very hard  
last night and  
and blew terribly  
hard.

At home till  
about 4 P.M.  
Ditched up to  
the buggy and  
Dad & I went  
down to the  
Clubs where  
we played till  
late.

Dinner at  
home half-past  
11.

June 6.  
Monday

A very warm  
day. Rained a  
good hour in  
the evening.

I arrived at  
the school some  
time ago. Tom  
and Mrs. Johnson  
were there.

My day has  
been very pleasant  
and full.

June 7.  
Tue

A nice day until  
evening when it  
rained a good  
heavy shower.  
Spudson was  
having the boys  
pull in the  
I went out and  
saw Mr. Hall.

June 8

Wednesday

A nice day and  
another 7 1/2 hours  
in the afternoon.  
I arrived at  
the May house  
safe and sound  
about 9 A.M.

June 9

Thursday

A nice day and  
another 9 1/2 hours in  
the afternoon.  
but not hard.  
Joseph & Charles  
set out hacking  
mallee and thinning  
corn.

June 10

Friday

A very warm  
morning and a nice  
day.

Arrived at Mr.  
Turner's about 10 A.M.  
Very warm and  
dry.

June 11

Saturday

A very warm day  
I ~~am~~ driving home  
about 5 P.M.  
very hot and  
dry.

The rest of the  
folks have been  
making a ~~hurry~~  
on the work.

June 12.

Sunday

A nice day.  
A little warm  
I was home all day  
Paul Jenkins came  
over and stayed  
all day  
Mr. Smith came  
down in the  
evening and Mr.  
Dolley came  
with Smith after  
church.

June 13.

Monday

A very warm day  
I helped the boys  
shoot out the corn  
I got tired  
warm and used  
The first corn  
harvested. Had  
done with them  
After supper we  
went and cut a  
beetle, which took  
up till about midnight  
There was a lot  
of bees and honey  
all smashed together  
I got stirring twice  
bad.

June 14  
Tues

Another very warm  
day  
I helped fire  
which with the  
effects of the clay  
before and the skin  
sting and was  
about dried  
my eyes were  
shut and  
my hands were  
so sore and  
swollen that I  
could hardly  
speak with the  
hoe.

June 13 -  
Wed.

Another very warm  
day I took up  
all the chick  
Came back about  
9  
After dinner I  
~~planted~~  
worked out the  
nursery and  
got pea bush

June 16  
Thurs

A very warm  
day

Mr. John & I  
planted potatoes  
till noon.

After dinner  
Mrs. Perry helped  
me plant corn

and beans  
I plan to sow  
corn beans  
with the  
pods.

June 17  
Friday

A very warm  
day. I rode Robin  
over in the  
Pinkie man  
settlement.

Stayed all  
night at  
the house.

June 18  
Sat.

A mostly very  
warm day.  
Got down at  
about 10 hours  
stayed there  
till the boat 7 P.M.  
Came home  
took some things  
the boys spent  
dinner in the  
house in the  
evening.  
Spent some  
along and  
left to  
as much  
time

June 19,  
Sunday

Spent the morning  
working in the  
morning & day  
and stayed till  
evening  
I went and  
saw some  
up about 1 o'clock  
and mostly  
demanded a  
lot of chickens  
for Mattie  
She had ice cream  
and took things  
very cool.

June 20  
Mon.

A very warm day  
Rained several  
hours.

I arrived at  
Mr. Hudson's  
about 11.

A very hard  
shout came  
up about 2.

June 27  
Tue.

A very warm  
day.

I went down  
on the creek  
and got back  
in time to go  
to Mr. Waghams  
against Blum.  
I started out  
with Mr. Hudson  
and started out  
for Mr. Waghams  
by a way &  
helped them in  
their wheat.

Mr. Waghams got  
his foot hurt  
by the machine

June 22.

Wednesday

A very hot

day. Redding had  
out Hayburn  
and several  
others went

down at  
I went out  
and saw Mr.  
Birk.

Came back  
intending to  
help with  
wheat the east  
of the clay but  
William broke  
the machine  
and business  
stopped.

June 23.

Thursday

A very warm

day. I came over to  
Mr. Turner's this  
morning.

I have seen  
about a mile  
a lot of which  
that I have  
seen here  
and Hayburn  
and a few are  
good.

The sheep  
were very thin.  
After supper I  
started for home  
when I arrived a  
little after dark.

June 24

Friday

A nice day  
warm.

We cut wheat  
all day.

In about half of  
the time and  
a packed up part.

The other bags  
found.

We surrounded  
a boat as large  
a land that

ever was surrounded  
in the bottom 257.

25.

Sat.

A nice day for  
cutting wheat.

We finished our  
big land.

The wheat is  
getting very ripe.

Mr. Benning's

girls came over

by a Delta & Rain

all came over

June 26  
Sunday

A nice day  
Miss Rosie & I  
went down to  
Sunday school  
this afternoon.  
We had a nice  
time but I got  
none of the folks  
to come home with  
us.

John & Effie  
Annelle have  
got back from  
Delaware.  
After dinner Rosie  
went home I went  
as far as Mr. Jones  
and came back  
to home and went  
to Childrens service  
but did not go in.

June 27  
Monday

A nice day  
Cant work all  
day -  
What to see and  
have to make  
headway cutting  
The girls are  
having a big  
time  
They came down  
in the evening when  
we were packing  
and helped  
but would not  
bring the shock.

June 28.  
Sun.

A nice day.  
They finished  
cutting wheat  
George & Lewis  
worked at the  
wheat after  
dinner and the  
rest of us worked  
at the corn.  
I worked the  
mussel.

June 29  
Wednesday.

A nice day.  
We went to stack  
wheat.  
Stacked an  
acre.  
The wheat is  
in splendid  
order.

June 28

Thurs.

~~It rained all day  
the wind was steady  
the ground was  
the first one at the  
top~~

Rained all  
the afternoon  
the blacksmith  
about all day.  
Get up the  
down in the  
Lew's went to  
Lynn  
Hattie & The girls  
went down to  
Mr. Hammon's
