David

Tues Oct 15 1901

A very foggy morning
and cloudy till
noon

George cut and
till noon

I tied corn
galleries till
noon

George & I then
cut corn the
rest of the day
Cathy hazed
cut corn all
day

Wed Oct 2.

A very damp cloudy
day. A fine day
for cutting corn.
We don't have
days work cutting
corn. Call's boys
George & I have
cut all day
A hard day's
work.

Thurs Oct 3.

A big frost
but not much
damage.
George & I cut
corn till noon
then harraned
and dressed.
Call's boys
mowed and
grass.
Walter came
down helped
Ella pick
beans and
left their
house for us
by about 9
few days.

Fri. Oct. 4
A big frost
but a big
fog and some
damage.
Serge & I have
and dug till
noon.
We then cut
grain & hauled
Call's horse
all the till
morning and
grass.

Sat Oct 5.
A big frost
and a big fog
The hardest frost
Serge & I have
in a while till
noon. Then
raked and
shooked a lot
of
Call's horse manure
and shooked

Sun. Oct. 6.
A big frost
Gardner day
I had to see
after the cat
and fixing
fence,
The cat down
down home
Nanni Camacho
and Ella Gubitt
was down there

Mon. Oct. 7.
A fine day
A big frost
Gardner & I
hauling in
eggs all
day
Call boys
engaged all day
Ella and the
big fire went
up to Nasti's
down road to
the house
Ella got regular
notions at the
store

Thurs Oct 20
A nice day
By front
The morning
early
George & I hauled
in rough hay all
day
Cut all tops
cut grass

Fed Oct 25
A damp cloudy
day sprinkles
a little
George & I cut
corn and hauled
in the rest of
the pond grass

Thurs Oct 10
A nice day.
Harem.
George & I
had a day
and drunk
till noon
then he dug
potatoes and
I mowed second
crop hay.

Fri. Oct 11
A nice warm
day.
George & I dug
potatoes till
noon. Then
went to harrowing
second crop hay.

Sat Oct 12,
A cloudy threatening
day. Rained a
little this evening
Sargent & I got
at the hay
hauling early
and finished
up about three
o'clock.

Spent the
forenoon and
ella the baby
and I got ready
and started
for Secoy
but since Pa
Carrill & Mary
coming over, I
stayed back
and have had a
good time at home

Sun Oct 13
A nice day
A little wind
The wind blew
hard last night
Pa Carrill & Mary
went home this
afternoon

Pa & Ma came
up and took
dinner with
us. He had a
good meal
Pa Carrill seemed
to enjoy himself
but a constant
worry about home
was at home

Alona, Oct 14
A big frost
and cool all
day.
George & I got
up early start
for prettysen
at the house.
We got 2 1/2 tons
of fuel.
We stopped at
Annie Hamner's
and talked
renting her place
of her, but did
not come to any
terms.
George & I work
at the drill the
rest of the time

17
Tue. Oct 15
A big frost
Frost ice 26 degrees
He began to
drill wheat
ground in good
shape and
a good crop looks
for.

Fri Oct, 18
A cold morning
The coldest
20 degree cold
He got up
later and
I began to
drill early
I urge harvesting
and hauling
fertilizers and
seed wheat and
for me.

Sat Oct 19
A nice day
Breezy and warm
He was up early
and I began
to drill and
worked hard
all day but
finished drilling
28 acres in all
I drilled 7 acres
day.

Sun. Oct. 20
A fine day.
Dinner.
He was up early
and got ready
and drove over
home. when
we found them
all well.
He had a good
visit but it
seems pretty difficult
to get back
have late but
found every
thing all right.

Mon. Oct. 21
A nice day
A light frost
I made at 12
a call to glass
this morning.
Then Blaney
and I went
to Hyatt's in
the buggy.
Got 2 sacks
of fertilizer
for \$1.00 each
Paid the hard-
ware Co. 12.
for grass and
4 bu.
George hauled
manure 1/2 day
and dug for latrine.

Thurs Oct 22

A nice day
I finished
sowing grass and
salted the cattle
and helped George
haul manure.

After dinner I
went up to
H. Kullby
and bought
3 young calves
for \$18.00.

George hauled
manure all
day.

Frid Oct 23

A nice day
A light fog
George hauled
manure all
day I took Bird
and Shepard
to the bush
one a trade but
did not succeed
in any trading
in the bush and
then came home

Thurs Oct 24

A nice day.
Cool.

George & I hauled
manure all day.

Fri Oct 25.

A cold morning.
Froze a little.
George dug
potatoes all day.
I hauled
manure and
burned weeds.

Sat. Oct. 26

A nice day
Cool this morning
I got ready
and went to
Myrtle of the bit
George dug
potatoes all day
I got back in
time to help
him a little
I got me a
pair of shoes

Sun. Oct. 27

A nice warm day
At home all day
I salted the
cattle looked
over the wheat
ground,
Jim Hannon came
along and stop
a while
Bill Hanning
stopped a
little while

Wed Oct 30

A nice warm
dry day

A little frost
George & I
fixed the ice-
house and roofed

the cellar.
Ella took Billie
and went over

to Susannah
this afternoon
Hankins along
with Sarge,
and I.

Thurs Oct 31

Another nice warm
dry day

George & I shucked
corn till noon
then threshed
beans and fixed
at the creek.
