# The Teachers

In September, 1968, Mr. Scott came to us from Vernon Elementary to become our high school principal. He has proved himself a hard worker, an agreeable administrator, and a person who treated each student as an individual. We shall long remember the wisdom of the advice he has given us and we shall be forever grateful for his help.

Our wish for him is that his future will be filled with health, happiness, and success.

Ruth Harrell
