Mr. Schrader, the senior government teacher for, as he put it, "too many years," retired in December of 1984. It was a sad time for many seniors as we had to say good-bye to one of our favorite and most loved teachers. But, due to the untimely death of another well-liked teacher, Mr. Kiser, Mr. Schrader returned to finish out the year as our government teacher.

The Senior Class of 1985 would like to extend our gratitude and well wishes to you, Mr. Schrader. We love you.

On his "last day," Mr. Schrader was serenaded by the Select Chorus.

Two Wheelersburg Teachers Retire

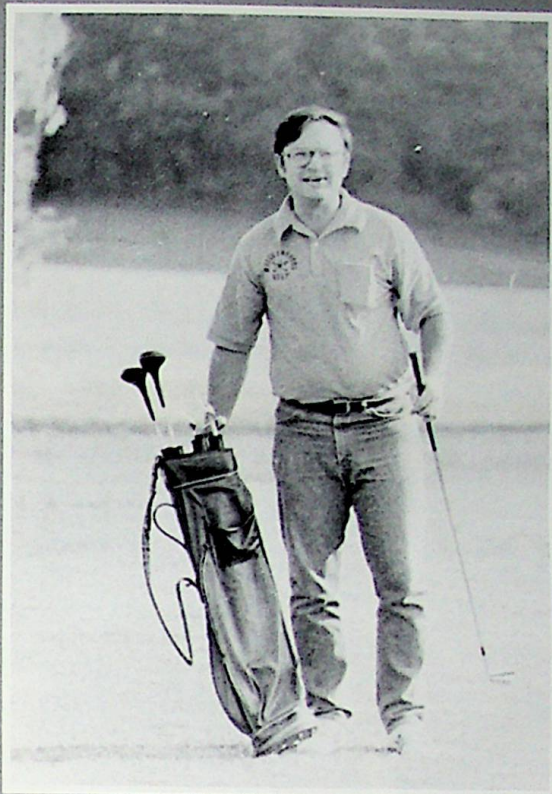

Mrs. Brown taught 24 of her 38 years in the teaching profession at Wheelersburg. Not only was she the home economics teacher but also sponsor for various groups and activities around the school. Many a girl (and in recent years . . . many a boy) has learned to sew and cook under Mrs. Brown's watchful eye. She has always been known by students and teachers alike to be the type of person who is genuinely helpful and interested in the lives of others. We are going to miss having Mrs. Brown as a part of our school family. We love you, Mrs. Brown.

Mr. Adams thanks Mrs. Brown for a job well done.

This year, the Flag Corps and Majorettes combined to form the W.H.S. Auxiliary Corps. The Auxiliary consisted of 14 Flag Corps members and 5 Majorettes. For the second year the girls were instructed by Mrs. Patty Freeman. The girls began work in ear-

ly July and showed us that hard work really pays off. The Auxiliary Corps added a certain touch of class to the football games. The Flag Captain for the 1984 season was Tonya Fisher. The Majorettes elected Shelley Wallace as their captian.

The "Burg" band, in its second year under the direction of Mr. Roy Webb, participated in many community and area activities.

Their many performances included the Scioto County Fair, River Days parade, Pioneer Village, the Jackson Apple Festival, O.U. Homecoming parade, the Portsmouth Christmas parade, and the Wheelersburg tree-lighting ceremonies. The band also added a touch of excitement by performing at football games and pep rallies.

Jazz Band

This year's eighteen-member jazz band experienced a short yet enjoyable season. Under the direction of Mr. Roy Webb, the group performed at the halftime of all of the home basketball games. Besides these performances, the band performed for the Kindergarten through Eighth grade at the grade school. The climax of their season was attending the Morehead State University Jazz Clinic where they learned new improvisation skills.

The 1984-85 Mixed Chorus enjoyed another fun-filled musical year under the direction of Mrs. Climer. The chorus performed for all ages and faculty at the grade school in March. This performance will possibly be a new annual trip for the group. The chorus also had a Christmas and a Spring Concert.

"Just for Kicks"

This year's Junior Class Play, "Just For Kicks," was a big success. It was performed on Friday, November 30 for the students and gain that evening for the public.

The story centered around a high school football team plagued with a terrible losing streak. They had lost all hope until a woman coach, played by Cindy Gray, took over and brought the team their first victory.

The play was directed by Miss Brenda Ball and Mrs. Katy Zink.

Senior Class Play

The Senior Class Play this year was held on May 9, 1985. The basic plot centered around a family called the Dracula's. Count Dracula and his wife, Letha, tried to marry their daughter, Dirga, to an American hosteler who was staying overnight at their house. Various schemes to get them together and problems which kept them apart entertained the student body. The play was very well presented and thoroughly enjoyed by all.

Prom Theme Is New Yo

The theme for the 1985 Junior-Senior Prom was *New York, New York*. The prom was held at the Carrington Place on Friday, April 26. The song for the night was "You're the Inspiration." The dance started at 8:00 p.m. and the music was provided by the Platinum Video Music Machine. The decorations consisted of huge top hats hanging from the ceiling and trees adorned with white lights. Everyone that attended the dance was dressed to kill, and they all seemed to enjoy themselves. The Prom Committee for this year is to be commended for a job well done.

Quiz Bowl Goes National

This year's Quiz Bowl Team, under the direction of Mrs. Nancy Miller, returned to Dallas once again to participate in the national competition. They became county champions and then went on to

win the state championship. The High-Q team took first place in the "High-Q" tournament and the team suffered their only defeat at the "Bobcat Buzz-In" where they took second place. Due to their

devotion to the team and their overwhelming knowledge, the team had a very successful year, and are to be highly commended.

Another Successful Year for NHS

The National Honor Society of the 1984-85 year was once again an active organization at Wheelersburg. They kicked off the year with a Turkey Raffle to

raise money for the inductions, which were held in March. They then sold candy to raise money to donate to Nathan Rucker and the Eric Hickman benefit.

In December they decorated the annual Christmas tree and presented their version of "The Elf Who Found Christmas."

In February of this year the Student Council, under the direction of Mrs. Brown, sold silk carnations for Valentine's day. Students bought flowers for the very special people in their lives. They also sponsored the annual Wild and Crazy Day which was a big success.

A Well Organized Library

The twenty-six students in the Library Club kept the library in good working order. Their jobs consisted of shelving books, checking out books for students and teachers, delivering audio-visual equipment and decorating the bulletin boards. In December they decorated the library for Christmas. They finished the year by honoring the Seniors with a cake.

BOYS' CROSS-COUNTRY

The boys' cross-country team had another dynamic season. They had a record of 87 wins and only 3 losses. They finished second at the Rio Grande Invitational, which was their highest finish ever at that meet. The boys won the S.O.C. meet, with John Klee taking top honors. For the second year in a row, the team placed second at the district meet which was one place away from going to the state meet as a team. However, there were three team members to qualify to go as individuals to the state meet. They were John Klee, Harold Cogan, and Ron Johnson. This made the second year that Ron Johnson has competed at the state meet because Ron also qualified last year. We would like to make an apology to Ron. Because of a name mistake in last year's yearbook, he did not get the recognition that he deserved for being a state qualifier last year. Overall, the team had a terrific season and were respected by all their competition.

A Dedicated Girls' Cross-Country Team

The 1984 girls' cross-country team was a determined squad with Anna Boll as only the second girl in W.H.S. history to complete four years of cross-country. The team of five girls was led by Tina Maynard who was the team's Most Valuable Player; she placed

second at the District meet and also competed in the State meet where she placed fourth. This was only the second girls' team at W.H.S. Even though they didn't win, a lot of awards kept them competing.

It's Not Just a Game

The sports program at Wheelersburg High School is geared to teach young people more than just the rules or plays of a particular sport. Self-discipline, hard work, character, cooperation and school spirit are instilled into the students who take advantage of the sports program. Our school depends so much on all aspects of the competition: fall sports, band, cheerleaders, fans, winter sports, spring sports, practice, coaches, and on and on.

A Building Year After State Competition

Moments, and People in Our Lives

We really missed Ms. Caudill second semester. Because of illness she had to curtail her teaching for awhile. The students knew that they had a real friend in this teacher. We wish her the best and hope to have her back with us soon.

Mr. McMahon substituted second semester.

Our teacher, our friend . . .

In Loving Memory and Dedication

The March 7, 1985, death of John Keiser made a deep impact on the Wheelersburg High School community. When the news of his death reached us, Time stood still. It seemed impossible that our beloved friend was gone. The loss was great, and the tears were many, but we soon realized that sorrow and sadness were not feelings to be associated with John Keiser.

Few of the students and faculty didn't know of Keiser's many practical jokes, nicknames, and his infamous "Morning" at any time of the day. Some of us were lucky enough to experience his delightful singing during "fun-time" (tests), and others were given the prized seat located in the four corners of room 115. All of us who knew Keiser have fond memories of him much more as a friend than a teacher.

Mr. Keiser was born August 28, 1931, in Pennsylvania. He received his college education from Lebanon Valley and then served as a Marine pilot. After he completed his military service in 1964, he joined the staff at WHS where he taught history and social studies courses. He also sponsored the sophomore and junior classes, as well as the student council.

Keiser, a friend and a smile to us all. May these pictures bring to your mind many happy memories we all have of Mr. Keiser.
